# BIOENERGY NETWORK OF EXCELLENCE

## LIST OF BIOENERGY PUBLICATIONS FROM THE PARTNER ORGANISATIONS 2007-2008

Sponsored by the EC's DG Research, Bioenergy Network of Excellence (NoE) is a partnership of eight leading bioenergy institutes that are integrating their expertise and activities to foster excellence in European bioenergy RD&D. For more information about Bioenergy NoE please visit the website: [www.bioenergynoe.com](http://www.bioenergynoe.com)

Each partner institute actively contributes to bioenergy research in Europe by publishing and presenting work around the globe. This list of publications demonstrates the ongoing work of each Bioenergy NoE partner in the biomass and bioenergy field since Bioenergy NoE began in 2004.
